

Minutes of SG Fourteenth General Session (03-02-10)

Note: The Thirteenth General Session was cancelled upon the SG's learning during Dean Bilek's presentation at the Thirteenth General Session that the ABA Site Visit team would be making time during the same period in order to meet with student organizational leaders. The SG agreed that the Fourteenth Session should be cancelled or rescheduled so that SG Members (many of whom are leaders and/or active participants in other student organizations) could meet the ABA Site Visit team members, who visit campus only once every several years. The SG subsequently held a make-up Session by convening its First Special Session of AY 2009-2010 on March 11, 2010.

Stephan Edel, Secretary
